Assembly steps:

- Please check whether all accessories are in good condition.
- Get hold of the handles and unfold the basket sheet into cuboid shape.
- Hold the cardboard base with the clasps of the bottom.
- Insert the metal ring and fasten it to stabilize the top.
- Place the liner bag and pull it around the outside.
- Get the lid on.

Notes:

- The handles are symmetrical at the center of both shorter sides.
- Pull the metal ring from the bottom to top.
- Do not store wet clothes inside, and keep the laundry basket away from humid place.
