8	Washer x 1	 (Pre assembled in base B)

Before disposing of the Polystyrene packaging check as some parts are placed within the packing.

Step by step assembly instructions

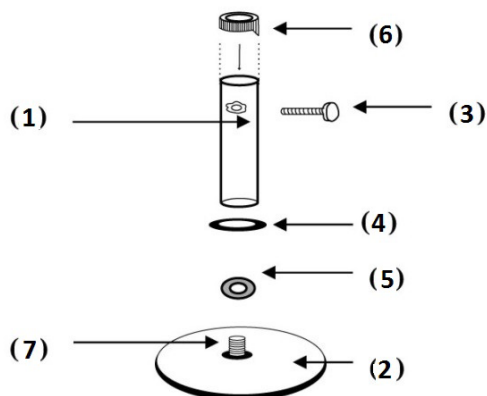

Step One

1. Check Bolt (7) and Washer (8) are through the hole in base (2). If not push Bolt (7) through Hole on underside of Base (2) and place Washer (8) over bolt.

Step Two

1. Place plastic ring (5) over bolt then place plastic decorative ring (4) on top of the metal ring
2. Place Round neck (1) onto bolt (7) by hand and screw clockwise.
3. Place Plastic adaptor (6) into the round neck at the top, selecting the size suitable for your parasol pole
4. Keep the spare plastic adaptors in case you purchase a different parasol at a later date.
5. Screw parasol pole holding screw (3) into round neck. (Do not overtighten)

Step Three

1. Position your base where you want it by rolling the base on its side. Put Parasol pole into neck and tighten Holding Screw (3), do not overtighten.

Care and Maintenance

This parasol base is maintenance free. If necessary occasionally tighten neck (1) if it becomes loose.
